MAXWELL HEINS SLUIT AAN BY CE

Cederberg Eerste (CE) bevestig hiermee dat hy die aansoek om lidmaatskap deur Maxwell Heins ontvang en goedgekeur het.

Die topleierskap van CE het ook besluit dat Maxwell Heins as wykskandidaat sal staan in die komende wyk 3-tussenverkiesing wat vir 23 & 24 April 2024 geskeduleer is.

Dr Richards, leier van CE, verwelkom Maxwell en doen 'n beroep op alle CE-ondersteuners om Maxwell Heins te omhels. In sy aansoekbrief het Maxwell die volgende gesê:

Met verloop van tyd het ek (Maxwell Heins) al hoe meer ontugter geraak deur die ANC en sy slinkse weë, om nie eens te praat van al die negatiewe gebeure wat op provinsiale en nasionale vlak plaasvind nie. Ek kan nog baie voorbeelde noem, maar dit is voldoende om te sê dat ek my huidige party (die ANC) nie meer as 'n stem vir die mense beskou nie.

CE leier, Dr Ruben Richards (links), verwelkom Maxwell Heins as lid van Cederberg Eerste.

Op 'n persoonlike vlak is ek meer as ooit daartoe verbind om die mense van Cederberg te dien, en ek glo dat ek die vertroue van die gemeenskap verdien het, veral in wyk 3. Na 'n aansienlike hoeveelheid sielondersoek en konsultasie met die mense naaste aan my, is ek van mening dat 'n gemeenskapsgeleide benadering van kritieke belang is vir die sukses van die Cederberg, en ons is gelukkig dat ons so 'n organisasie genaamd Cederberg Eerste het, wat bewys het dat hy vir die mense van die Cederberg werk.

Dit is teen hierdie agtergrond dat ek hierdie brief wil indien as my aansoek om lidmaatskap van Cederberg Eerste Inwoners Organisasie.

Press Statement

For immediate release (08h30)

MAXWELL HEINS JOINS CE

Cederberg Eerste (CE) hereby confirms that it has received and approved the application for membership by Maxwell Heins.

The top leadership of CE has also decided that Maxwell Heins will stand as the Ward candidate in the upcoming Ward 3 by-election scheduled for 23 & 24 April 2024.

Dr Ruben Richards, leader of CE, welcomes Maxwell and calls upon all CE supporters to do the same. In his application letter to CE, Maxwell Heins said:

As time went on, I (Maxwell Heins) became more and more disillusioned by the ANC and its devious ways, not to mention all the negative events that are happening on the provincial and national levels. I can cite many more examples, but suffice to say that I no longer consider my current party (i.e. the ANC) to be a voice for the people.

CE leader, Dr Ruben Richards (left), welcomes Maxwell Heins as a member of CE.

On a personal level I am committed, more than ever, to serve the people of Cederberg, and I believe that I have earned the trust of the community, especially in Ward 3. After a considerable amount of soul searching and consulting with the people closest to me, I am of the opinion that a community-led approach is critical to the success of the Cederberg, and we are fortunate that we have such an organisation called Cederberg Eerste, that has proven itself to work for the people of the Cederberg.

It is against this background that I would like to submit this letter as my application for membership of Cederberg Eerste Residents Organisation.
